DONATIONS

We are a 501(c)(3) organization.

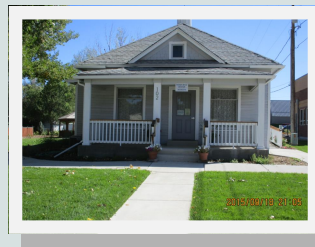

We gladly accept donations such as:

- * Local area historical artifacts
- * Milliken High School annuals
- * Old photos of buildings and people of Milliken
- * Antique furniture on a limited basis due to space restrictions
- * Cash for operating expenses
- * Cash for the Memorial Fund.

Designated names will be engraved and placed on the Memorial plaque.

Milliken Historical Society (MHS) was formed in 2004 and became a 501(c)(3) organization soon after. Past projects: procured an in-depth assessment of the teacherage for possible restoration, obtained a National Register of Historic Places listing for the Daniels School building. Since its inception, however, members desired a museum.

In 2010, a house was given to the Town of Milliken. It was moved to its current location, renovated, and renamed the Heritage House. It is now a focus of MHS's efforts and is home to the Milliken Museum.
