Bell ringers are designed to be an easy, getting ready to learn task. Choose a spot in the classroom where you will display your bell ringer each day. We like the idea of using a chalkboard if available. Another idea is to place the bell ringer on a blank wall and then ask students to place post it notes with their responses around the bell ringer.

Bell ringers, warm ups, or do firsts — whatever you or your school might call them, they all serve the same purpose: to get students working at the start of class. This helps communicate to students that every single minute of class time is valuable. I have found that when the first five minutes of class run smoothly, the rest of class time will run smoothly (and I can actually take ...

6 Ideas for Bell Ringers - Maneuvering the Middle

"Bell ringers" will get your students' brains engaged for the class discussions ahead. Or, use them as a way to create 5 minutes of quiet time at any point in class. Our math warm-ups provide a few short exercises for students to practice concepts they've learned in previous classes, such as counting, addition, and subtraction.
