Cases and Casebooks - a Brief History. Briefing a case is simply the act of creating a "brief" summary of the relevant facts, issues, rule and reasoning of a particular case you've read in class. However, to understand briefing, you must first understand the case method, which is how most law schools teach students. In 1870 at Harvard University Professor Christopher Columbus Langdell decided ...

Traditionally, the authorship of the Mahābhārata is attributed to Vyāsa. There have been many attempts to unravel its historical growth and compositional layers. The bulk of the Mahābhārata was probably compiled between the 3rd century BCE and the 3rd century CE, with the oldest preserved parts not much older than around 400 BCE. The original events related by the epic probably fall ...

Between 1788 and 1842 about 80,000 convicts were transported to New South Wales. Of these, approximately 85% were men and 15% were women. Almost two thirds of convicts were English (along with a small number of Scottish and Welsh), with the Irish making up the remaining one third. Convicts were usually given sentences of transportation for seven, 14 years or life. Some convicts in the 1830s ...

The Tempest is different from many of Shakespeare's plays in that it does not derive from one clear source. The play does, however, draw on many of the motifs common to Shakespeare's works. These include the painful parting of a father with his daughter, jealousy and hatred between brothers, the usurpation of a legitimate ruler, the play-within-a-play, and the experiences of courtiers ...
