Introduction to

Discourse Analysis:

Theory and Method

Critical discourse

analysis draws very

heavily on semiotics,

so it's interested in

how words and images

create or convey

meaning in particular

ways. And what critical

discourse analysis tries

to do is unpack those

layers of meaning to

understand how

different individuals or

Discourse Analysis.

Discourse analysis(DA), is also known as discourse studies. It is a general term used for some approaches to analyze vocal, written or sign language use or any semiotic event. All these are objects of discourse analysis like writing, and communication are defined concerning rational sequences.
