Becoming a Learner Summary and Study Guide | SuperSummary

“Mastering the process of learning through study, analysis, and experimentation is more important than the details of what you learn.” Reality 3: Many of the job skills you learn in college will become obsolete

Becoming a Learner by Matt Sanders Outline by Sarah Black

A healthy amount of challenge grows your brain and it is better to experience difficulty than to coast through school. Push yourself to achieve goals that are harder for you to reach for larger pay-offs in the long-run than easy courses will grant you. If you are able, select tough classes that will really make you think (within reason).

Strategies to Help You Become an Outstanding Student

If you are an auditory learner, you learn by hearing and listening. You understand and remember things you have heard. You store information by the way it sounds, and you have an easier time understanding spoken instructions than written ones. You often learn by reading out loud because you have to hear it or speak it in order to know it.
