Breeding Contempt The History Of

Breeding Contempt is a well-researched, thoughtful and accessible history of forced sterilization in the USA. In this brief volume, the author presents a compelling picture of the various interest groups that regarded coerced sterilization as a corrective to social problems in the USA from the mid-1800s to the present.

Breeding Contempt: The History of Coerced Sterilizations ...

Breeding Contempt is probably one of the most comprehensive monographs on America's long, dark experiment with coercive sterilization. Largent traces the idea from its origins from haphazard attempts by doctors to improve the public welfare by eliminating moral and sexual deviants, to its Progressive-era heyday as the cutting edge frontier of applied biological science (and the nexus of power ...
