Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

Democracy And Education John Dewey

In Democracy and Education, Dewey argues that the primary ineluctable facts of the birth and death of each one of the constituent members in a social group determine the necessity of education.

Democracy and Education - Wikipedia

DEMOCRACY AND EDUCATION by John Dewey Transcriber's Note: I have tried to make this the most accurate text possible but I am sure that there are still mistakes. I would like to dedicate this etext to my mother who was a elementary school teacher for more years than I can remember. Thanks. David Reed ...

Democracy and Education, by John Dewey

A philosophical text on the relationship between democracy and education written at the turn of the last century. Dewey discusses the role of industrialization in forming our educational system, and how this cannot hold up in a democracy. We cannot build cogs for a machine if we want a real democracy, he argues, we must have thinking participants.
