Pitman shorthand (the most popular system in the U.K.) These systems use phonetic symbols; that is, their symbols aren't one-to-one approximations of the standard Latin characters that make up the English alphabet (and many others). Rather, they're symbols designed to represent how words sound when they're...

How to Take Faster Handwritten Notes Using Shorthand ...

Shorthand systems go for maximum speed at the expense of readability. Shorthand systems can become readable once you learn to sight read all the outlines or "brief forms," which can number in the thousands, but just learning the basic symbol set won't cut it. The Pitman system is still used, especially in England.
