At Farm to Table, we think oatmeal has the potential to be much more than that. And we've proved it by taking an artisan's approach to a much loved, but unfortunately neglected part of your day. We blend our organic oats in small batches with other organic ingredients—other organic grains, dried fruit or seeds—to create a flavor and texture profile that's thoroughly unique.

Farm-to-table (or farm-to-fork, and in some cases farm-to-school) is a social movement which promotes serving local food at restaurants and school cafeterias, preferably through direct acquisition from the producer (which might be a winery, brewery, ranch, fishery, or other type of food producer which is not strictly a "farm").

**Farm-to-table - Wikipedia**  
Dining Where the Food is Produced In its purest, most honest form, farm-to-table means the table is actually at the farm and cooks or chefs prepare and serve the food at the farm (even in the field), as in Outstanding In the Field events. These are often special meals or fundraisers planned as one-off events.

"Farm to table" is the concept of purchasing locally grown food directly from the source. The term comes from the idea that the less time and fewer hands it takes for the food to get from the farm to the table, the fresher, more environmentally sensitive and community minded it is. Farm to table business supports the local ecology and economy.
